

Letter of Acknowledgement:

We at Graphic Imaging Technology would like to acknowledge and thank the following companies and personnel for their expertise, quality services and quick turn around schedule to meet our stringent project deadline. Their overall knowledge in their particular field has made the development, creation, mastering, manufacturing and distribution of this CD-ROM product a record set 60 days from conception to market.

Those that know and work in the publishing industry can truly appreciate the speed and success of such a task.
